

Dear Parent

Warm wishes for Navratri

Navratri brings with it something special, which is evident in the very air around us from the day of Mahalaya itself. It is a great challenge for us to make our children be sensitized to our environment and surrounding at one side and be ready to pace with the progressing world on the other. Our children, the present generation is in a precarious situation.... The pressure on this generation is enormous. The pressure to perform. Opportunities are few but competent people are many. To survive in this situation demands skill. What we can do is to train them sufficiently in life skills so that they are able to withstand the pressure without giving up. It is high time we wake up and make them strong enough to face life. And there wouldn't be a better time than this Durga Puja. The Puja is much more than its customary importance. It is a manifestation of our fight with the nine demons inside us. Come, let's pledge together.... you as parents and we as teachers that we will carve our children in such a way that they become responsible citizens of tomorrow....who are able to stand with their head held high and soul an open door.

The 2018-19 school year has been a great year for us. We've been witness to growth and maturity in our students and staff, which has been tremendous and we couldn't be more proud. Our school has now become a +2 affiliated school with maintaining 8<sup>th</sup> position amongst the best schools in Bihar in the 3<sup>rd</sup> consecutive year.

Our first batch that appeared in the 10th Board Examination had done immensely well. The time is knocking for the second batch and the entire team of DDYPPPIIS is set to prove its mettle yet again in the forthcoming Board Examination in February-March. I call out to all the stakeholders to fasten up their seat belts, gear up and show to the world yet once again what a true Dypsite is! I appeal to our students to utilize this vacation to continue to read, learn and grow.

School for students will begin again on 22<sup>nd</sup> of October, 2018.

With my very best Regards.
